

BK946S

Thermostatic heating table

Specifications:

| | |
|------------------------------|---------------------|
| Model | BK946S |
| Output Power | 400W |
| Input voltage | AC220 |
| Temperature adjustment range | 50°C-350°C |
| Display form | LED |
| Temperature stability | ±2°C |
| Use environment | Temperature :0-45°C |
| Dimensions | L120xW120xH175mm |
| Weight | 1.3Kg |
